GREAT CITIES SYMPOSIUM 2023

About the Great Cities Symposium

Scenic Jacksonville launched the Great Cities Symposium in 2019 to further our mission and to inform, educate and create community conversations about the vibrancy of peer cities and how Jacksonville can learn from their successes and challenges.

The event provides an enjoyable, social evening with engaging conversations around how we create a more vibrant, successful city for today and for future generations. Cocktails, hors d'oeuvres and desserts will be provided.

Prior speakers were Joe Riley, former Mayor of Charleston in 2019, Ron Littlefield, former Mayor of Chattanooga in 2021 and Bob Buckhorn, former Mayor of Tampa in 2022. This year, we have a business leader who has worked extensively with city administrations in a variety of capacities.
